      <h2>About Me</h2>
      I am a <b> Bachelor of Computer Application
Graduate</b> with a strong foundation in programming concepts
and logical thinking. My education has equipped me with the skills
to approach challenges systematically and find innovative
solutions. I possess basic knowledge of programming languages
and have a keen interest in problem-solving. I am passionate about
technology and eager to continue learning and growing in the field
of computer science. My logical mindset allows me to break down
complex problems into manageable steps. I look forward to
contributing my skills to exciting projects and collaborative teams.
